

NOTICE

It is observed that students are not attending their classes regularly. It is also learnt that they are planning to enjoy self decided long holidays.

Looking to the interest of the students, this year institute authorities have already permitted them to celebrate ECLECTIKA for three days. More over, for their convenience Holi holidays have also been declared in the academic calendar. Lots of syllabus is yet to be completed in the class and second exam is also due from 12 March 2012.

Students are advised to attend their classes regularly form 27 Feb onwards. If they are not attending the classes, strict immediate action may be taken which may be detention in the semester, imposing of heavy fine, not permitting in campus placement etc. Therefore, it is in the interest of students to follow academic calendar strictly.
