ONE WEEK SELF SPONSORED
VIRTUAL WORKSHOP ON

**Enhancing Oral and Written
Communication Skills using
e-Technology**

From 10-03-2026 to 14-03-2026

Organized by

**Department of Humanities & Social Sciences
and
Department of Mechanical Engineering**

**National Institute of Technology
Raipur-492 010 (Chhattisgarh)**

About the Institute:

National Institute of Technology Raipur situated in the capital of Chhattisgarh, Raipur, has proven to be "avant-garde" in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our president Hon'ble Dr. Rajendra Prasad on 14th September 1956. the institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About the Department:

The Department of Humanities and Social Sciences (HSS), NIT Raipur, was established in the year 1958 (formerly, the Department of English under the Government College of Engineering and Technology). The Department at present is one of the emerging departments, with a plethora of research and teaching endeavours in the subject areas (Core and Allied) of English literature, Linguistics, Sociology, Management and Consumer Psychology, Yoga and Health, Value Education for Consciousness Development.

The Department Largely helps to:

- Develop Verbal and non-verbal communication skills and conceptualise the neuro-cognitive aspects of language.
- Assimilate and Practice Higher Order Managerial Decision Making Skills.
- Learn and practice Yoga for healthy and sound living.
- To develop the ability to understand "coexistence-based living" through Value Education

Objectives:

The objective of the One Week Workshop on "Enhancing Oral and Written Communication Skills using e-Technology" is to provide a comprehensive platform for interaction and training in enhancing the oral and written communication skills through digital applications / methods with ample materials and application orientations with professional academicians, experts from reputed national institutes, academic centres and recruiters and training and placement officials. This workshop will involve distinguished experts in the field of communication skills adept in using digital technology applications.

Theme/Scope:

- To highlight the basic need and requirement of digital learning and its use in enhancing communication skills.
- To provide a platform to the aspirants to become familiar with essential communication skills with the use of e-technology (Information and Communication Technology).
- To enlighten the participants with the technological advancements in learning and imbibing effective communication skills.
- To provide a common platform for the interaction of professors, academicians and experts in digital communication.
- To provide ample knowledge about the effective use and acquisition of oral and written communication skills through activity based training.

Topics to be Covered:

- Digital Communication and Collaboration Tools
- E-Learning and Language Improvement Technologies
- Soft Skills Development through Digital Media
- AI and Communication Enhancement
- Virtual Learning and Digital Literacy
- Innovation and Entrepreneurship Communication

Targeted Participants:

- Industry Persons
- PhD/ Research Scholars
- Faculty Members
- PG/UG Students
