**One Week Self-Sponsored
Short Term Training Program (STTP)
on
“Logic Building using C and Matlab”
30th October – 3rd November, 2017**

Organized by

Department of Information Technology

National Institute of Technology
(An Institute of National Importance)
Raipur - 492010 (C.G.), INDIA

About the Institute:

National Institute of Technology Raipur is situated in the capital of Chhattisgarh. The institute has proven to be “avant-grade” in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our president Hon’ble Dr. Rajendra Prasad on 14th September 1956. The institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon’ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About Department:

The Department of Information Technology was started in year 2000. The aim of the department is to become the national leader in imparting quality education, carrying out research and technology development in the country. The department provides an outstanding research environment and offers academic program leading to the award of B.Tech., M.Tech. and Ph.D. degrees.

Venue:

Department of Information Technology,
National Institute of Technology, G.E. Road,
Raipur-492010, (C.G.), INDIA

Objectives:

This training program is aimed at imparting knowledge and training on logic building

using C and MATLAB and their applications in various fields of engineering. Expert lectures will be delivered by faculty from academia. This program will be beneficial to UG/PG students, young researchers, research scholars, faculty who intend to practice/begin research and employ logic and programming in the field of electrical engineering, mechanical engineering, electronics engineering, computer science engineering, information technology, etc. This short term training program is proposed to give a thorough exposure of logic building using C and MATLAB. Distinguishing features of this program include training sessions on logic building using C and MATLAB.

Speakers:

Expert lectures will be delivered by the faculties of the various branches from the institute.

Topics to be covered:

The STTP will be highly beneficial to the candidates who are just starting their research and using the platform of C, MATLAB, etc.

The contents of the STTP are as follows:

- Introduction to logic building.
- Handling control constructs.
- Data types and operators.
- Defining and manipulating arrays.
- Structures and functions.
- File and database handling.
- Mapping the logics from C into MATLAB.
- Introduction of tool boxes of MATLAB.
- Design of logic/code for various engineering applications/problems.

Selection:

The course coordinators reserve the right of selection of participants. The seats are limited to 25 candidates. **The preference will be on first-come-first-serve basis. The intimation regarding selection will be sent to the candidates by email as per the schedule.** Certificates will be issued to the participants only after attending the complete course.

No TA/DA will be paid to the participants. However, the accommodation and food facility may be provided to outside candidates on payment basis.

Registration Fee Details:

Participants	Registration Fees
U.G. Students	₹ 5,00/-
P.G.	₹ 1,000/-
Ph.D. Students	₹ 1,500/-
Faculty/Industry Persons	₹ 5000/-

Application in the prescribed format with registration fee in the form of Demand Draft drawn in favor of “**Director, National Institute of Technology Raipur**” payable at Raipur must reach the coordinators on or before **28th October, 2017**. Registration fee includes registration kit during the program. Fee is non-refundable.

Important Dates:

Last Date of Registration: 28th October, 2017.

Intimation Date: 29th October, 2017.

STTP Date: 30th October – 3rd November, 2017.
