**NATIONAL INSTITUTE OF TECHNOLOGY, RAIPUR (C.G.) 492010**

No./Exam Cell/Time Table/2025/ **SS2**

Date: **06/11/2025**

**OPEN ELECTIVE TIME TABLE FOR AUTUMN 2025 EXAMINATIONS**

(Will be Conducted Centrally)

**B.TECH. 5<sup>th</sup> SEMESTER**

**TIME: 10:00 AM – 01:00 PM**

| Date       | Day    | Subject                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24/11/2025 | Monday | Inclusive Leadership And Effective Communication/Introduction To Linguistics/Basic Entrepreneurship For Engineers/Introduction To Sociology/An Introduction To Business Management/ Project Planning And Management/Composite Materials And Mechanics/Smart Manufacturing/ Digital System Design/ Optoelectronics Components And Devices/ Industrial Economics And Management/ Remote Sensing & Geographic Information Systems/ Non Destructive Testing/ Environmental Biotechnology/ Digital Image Processing/ Data Science/ Computing Algorithms And Indian Knowledge Systems |

**B.TECH. 7<sup>th</sup> SEMESTER**

**TIME: 2:00 PM – 5:00 PM**

| Date       | Day     | Subject                                                                                                                                                                                                                                                                                                                                                                    |
|------------|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 25/11/2025 | Tuesday | Human Rights & Human Values/ Urban Hydrology/ Industry 5.0 For Engineers/ Renewable And Distributed Energy Systems/ Real Time Embedded Systems/Process Safety And Hazard Management/ Bulk Material Handling/ X-Ray Diffraction And Electron Microscopy/ Nano Biotechnology/ Lab-On-Chip Devices/ Neural Network And Fuzzy Logic/Computer Vision/ Advanced Machine Learning |
