

India's first MOOCs (Massive open online courses) Platform “**Swayam**” (**Study Webs of Active-Learning for Young Aspiring Minds**) has been launched by our Honorable Prime Minister Mr. Narendra Modi with a view to bring India to forefront of digital learning for all kinds of subjects.

What is Moocs?

MOOCs are an online course aimed for unlimited participation and open access through the web. In addition to traditional course materials such as filmed lectures, readings, real life problems with solutions. Many MOOCs provide interactive user forums to support community interactions among students and teachers.

Objectives

The objective of **MOOCs @ NIT Raipur** is to provide following high quality digital content:

- Lectures, Video, and Chalk & Talk Video Lectures for the students / professional from every walks of life to learn what they want, as they want and when they want.

- Demonstration of experiments, related to different subjects through video for full exposure of practical knowledge to students / professionals.
