a1. General Area of the patent

.....
.....

i) The problem for which solution was researched.

.....
.....
.....
.....
.....
.....
.....
.....

ii) The invention namely the solution to the problem

.....
.....
.....
.....
.....
.....
.....
.....

a2. Is the work a mere extension of common known knowledge? Yes/No (Mention details):

.....
.....

a3. Any environmental issues?

.....
.....

a4. Any costing of the product / process / invention been done?

.....
.....

.....
.....
.....
.....

b6. Has the work been systematically and chronologically documented?

.....
.....

c. Has the invention tested experimentally? Are experimental data available?

(Attach separate sheet)

d. Has invention been patented or protected under confidentiality agreement?

d1. Has any related patents been filed by the inventor? (Mention the details)

.....
.....

d2. What aspect of the invention needs protection?

.....
.....

(Please attach sketches, drawing, photographs and other materials that illustrate the description)
