

National Institutional Ranking Framework
Ministry of Human Resource Development
Government of India

NIT Raipur has secured **64th position** in Engineering Category of the National Institutional Ranking Framework (NIRF), which was announced by the Ministry of Human Resource Development, Government of India on 9th September 2021.

NIT Raipur stands 16th among the 31 NITs in India, and is the only Engineering Institute from Chhattisgarh state to feature amongst Top-100 Institutes in the NIRF ranking 2021 for another year consecutively.

Our Institute has consistently improved its NIRF rank every year from 81 in 2018, 74 in 2019, 67 in 2020 and now to the 64th NIRF rank in 2021 which shows our commitment to excel.
