Dear Sir,

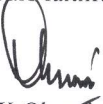

I have to refer to your letter dated 29.06.2014, submitting therein a list of 56 students (including extra students admitted by the institution based on directions of MHRD & reservation quota) admitted in the 1st year of 5 year full-time B.Arch. degree course at your institution as against the total intake of 20 sanctioned to your institution by CoA for the academic session 2010-2011.

The CoA has allotted Enrolment Numbers to the students as mentioned in your list under reference. The list with Enrolment Numbers of these students is enclosed herewith for your kind perusal and necessary action. The students, after completion of their course, shall be required to quote their respective Enrolment Numbers on the application form at the time of seeking registration in order to enable the CoA to register them as "Architects" under the Architects Act, 1972.

It may be further noted that in case of any discrepancy in the data provided by your institution, the CoA reserves the right to cancel the Enrolment Number and/or reject registration of student(s) at any stage. The issuance of Enrolment Number does not in any way guarantee the registration of a student with CoA, which shall be subject to verification & scrutiny of necessary documents at the time of registration.

You are required to host the list of CoA enrolled students on your institution's website for information of students, their parents and the general public. This list shall also be made available on the CoA's website.

Yours faithfully,
