	Sum of credits due in N-3 rd semester		Sum of credits due in N-2 nd semester		Sum of credits due in N-1 st semester	

I, (name of the student)

have become eligible to get admission in 5th semester as per B. Tech. ordinance (NIT Ordinance

and scheme) which was effective up to July 2019 for fresh admittees. Since the NIT ordinance and Scheme of studies have been replaced by the Choice Based Credit System CBCS ordinance & scheme, respectively, it is requested that my scheme of studies be merged with the CBCS scheme. I understand that after merging I shall be governed by CBCS ordinance and scheme, and the old NIT ordinance and scheme shall no more be applicable to me.

My studies from 5th Semester onwards will be on the basis of credits earned by me and I shall not be allowed to opt for more than 30 credits in a semester. From the next semester onwards, my standing backlog of (N-4)th semester (2nd semester in this case) of NIT scheme will be treated as due credits and shall be counted within the above said 30 credits.

I undertake to attend and pass those “Branch Specific Subject” which I have not already studied in the NIT scheme whenever these are offered in CBCS scheme. Further, I shall audit Prerequisite subject(s) of the courses in the current and higher semesters, if not already studied. The decision of the Departmental Academic Committee in this regard will be binding on me.
