NITRR/D(A)/Notice-R.M/2026/ 3095

23.07.2026

NOTICE

The regular classes of Research Methodology of technical and scientific applications for the Ph.D. students of 1st semester of admitted scholars of Autumn 2026 batch shall commence from 17.08.2026 as per following unit-wise engagements:

S. No	Unit	Engaged by
01	Introduction and Design of Research	Dr. S. Ghosh
02	Data and Methods of Data Collection	Dr. Bunil Kumar Balabantaray
03	Data Analysis	Dr. Anup Kumar Sharma
04	Research report preparation and presentation	Dr. Amit Keshav

Dr. Bunil Kumar Balabantaray, Assistant Professor, Dept. of CSE shall act as coordinator for this activity. The classes shall be held every Monday, Wednesday, and Friday from 04:30 PM to 06.00 PM in S-4 (tentatively).

The complete details shall be duly shared by the coordinator.

The FE & SE assessments of this subject will be held, tentatively during the second week of October 2026 and first week of November 2026 respectively. The dates of end semester examinations shall be notified later.

Concerned Ph.D. scholars are expected to attend the classes regularly as per the above schedule.

Those scholars of previously admitted batches, who have registered for this subject in the ongoing semester or have not yet cleared the subject, may also attend the classes. Such scholars must contact the coordinator, Dr. Bunil Kumar Balabantaray, by 14.08.2026, without fail.
