

WOMENS SAFETY: -

To ensure women's safety in the campus the following actions have been taken by the security wing: -

- (a). Focused on greater vigilance on roads, especially at evening time, as lots of girls return from the canteen, Ice cream parlour, shopping area and library, sports and evening walk.
- (b). Deployment of **02** unarmed **Ladies security personnel** at the main entrance location in Girls Hostel with Lathi and wireless Radio sets in round the clock and also a **lady security supervisor** has been deployed round the clock to supervise and ensure adequate security of the girls' hostels.
- (c). No unauthorised person is allowed to enter inside the hostel premises.
- (d). All the ladies' hostel main entrance gates are closing and locking at defined time as per the instruction of the respective hostel wardens.
- (e). No visitors allowed inside the hostel premises without the proper permission of the respective hostel wardens.
- (f). The institute has already erected a rigid and strong boundary wall with proper gates facilitated in the entire hostel.
- (g). In/out register maintained by the security guards in the entire hostel under the close and strict supervision of respective hostel warden and matrons.
- (h). All the Girls hostel premises have been secured with string & well heightened RCC boundary walls.
