Mobile:- 9407937819

Patron
Dr. S. Tiwari, Director, NIT Raipur

Conveners
Dr. M. K. Verma
Dr. R. K. Tripathi

Coordinator
Dr. A. D. Prasad.

Co-Coordiators
Prof. Mani Kant Verma
Prof. Ishtiyaq Ahmad

Organizing Committee Members

Prof. Ajay Vikram Ahirwar
Dr. L.K. Yadu
Dr. Shirish Deo
Prof. Mohit Jaiswal
Dr. Meena Murmu
Dr. Govardhan
Prof. Sunny Deol
Prof. Ansu Thomas
Dr. Sandeep Chouksey
Dr. Alfia Bano
Prof. Moulshree Tripathi

Advisory Committee Members

Dr. A. K. Desai, IIT Kharagpur
Dr. D. Khare, IIT Roorkee
Dr. Ramakar Jha, NIT Rourkela
Dr. K. C. Patra, NIT Rourkela
Dr. P.L. Patel, NIT Surat
Dr. Umesh Mishra, NIT Agartala
Dr. U.K. Dewangan, NIT Raipur
Dr. Samir Bajpai, NIT Raipur
Dr. G.D. Ramtekkar, NIT Raipur

**NATIONAL WORKSHOP
ON
Water Resources in
Developing Countries:
Planning and Management
August 27th – 28th, 2015**

Under TEQIP-II

**Organized by
Department of Civil Engineering**

**National Institute of Technology
Raipur-492 010
Chhattisgarh**

About the Institute:

National Institute of Technology Raipur

situated in the capital of state of Chhattisgarh, has proven to be 'avant-grade' in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our president Hon'ble **Dr.Rajendra Prasad** on 14th September 1956. The institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon'ble **Pt. Jawahar Lal Nehru** on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi, Hyderabad, Kolkata, Bhopal, Ahmadabad, Bangalore, Chennai and Chandigarh by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railway station and 18 km from airport on NH-6, the Great Eastern Road.

About the Department:

Civil engineering is considered to be the backbone for all type of developments. Civil Engineering involves the application of scientific principles and knowledge of mathematics, theory of mechanics and application of computers to the planning, analysis, design and construction for all type of infrastructures.

Venue:

**Department of Civil Engineering
National Institute of Technology
Raipur**

The Need of Workshop:

Water resources are sources of **water** that are useful or potentially useful. Uses of **water** include agricultural, industrial, household, recreational and environmental activities. 97% of the water on the Earth is salt water and only 3% is fresh water.

India is one of the developing countries having vast water resources. Due to the rapid increase in population, industrialization, urbanization, there is a threat in water quantity and its quality. Hence, proper planning and management of available water resources is necessary..

Objective:

- ✓ To provide an opportunity for individuals including Faculty, Industry Professionals and Research Scholars to quick start learning of Water Resources Planning and Management for the benefit of their knowledge and to grow as a full-fledged professional.
- ✓ To encourage a systemic, multi-disciplinary approach for understanding and cracking water resources issues.
- ✓ To develop small networking groups for taking up collaborative research on the themes of workshop and deliver tangible outputs for the benefits of the society.

Theme/Scope:

- ✓ Hydrological Modelling
- ✓ GIS – Application and Software's
- ✓ Water resources management and Environmental issues
- ✓ Flood management

Targeted Participants:

- ✓ Academicians
- ✓ Industry Professionals
- ✓ Research Scholars

Registration Fee Details (in INR):

Participants	Amount (in Rs)
Research Scholars	1000
Faculty	1500
Industry Delegates	2000
Accompanying Person	1000

Other Information:

- ✓ Send the filled in Registration form to the coordinators email id along with SBI collect receipt.
- ✓ Registration fee includes registration kit, tea and lunch during the programme.
- ✓ Fee is non-refundable. Since the number of seats is limited to 30.
- ✓ The selection will be made on firstcum first serve basis
- ✓ Intimation will be sent to the candidates by email as per the schedule.
- ✓ Certificates will be issued to the participants only after attending the complete course.
- ✓ No TA/DA will be paid to the participants.
