DEPARTMENT OF PHYSICS

The basic foundation of all engineering and technology is Physics. A strong conceptual knowledge in Physics is an essential need for skill development in technology. It is a Government of India initiative that physics teachers of Engineering / Technology / Polytechnic institutes and Degree Science colleges be trained by renowned experts of the field for the benefit of the students' community at large. Thus, it is an opportunity to train physics faculties of your institute to enhance their teaching skills in the subject of physics.

In this context, Department of Physics, NIT, Raipur is going to organize a short term course of two weeks duration from 8th Dec to 18th Dec 2015 on Engineering Physics under the **National Mission on Education through ICT (MHRD, Government of India) Conducted by IIT Bombay.**

NIT Raipur is a remote center (of IIT Bombay) with remote center ID-1346. You are requested to depute faculty members of your institute to register in the program. **The last date for online enrollment is 30th November 2015. Please note that there is no fee for participation in the course.** The brochure is attached for detail information about enrollment. We look forward to see your warm response to make the initiative more successful.

NIT Raipur remote center ID-1346.

Please note that there is no fee for participation in the course.

How to Apply: Only online registration is applicable.

To register online, please visit: <http://www.it.iitb.ac.in/nmeict/>
