

Annexure-II

Detailed plan of the Second fortnight at NIT Raipur (SWACHHTA PAKHWADA) From 1st November 2016 to 15th November 2016

1. SWACHHTA PLEDGE will be taken by students, faculty members and staff members of the institute.
2. A "Nukkad Natak competition" of students will be organised in NIT, Raipur, through which, message of cleanliness will be spread.
3. A "Rangoli Competition" also will be organised for students. Rangoli will be prepared on cleanliness topics.
4. Complete cleanliness will be maintained in toilets for men and women. We will also ensure that sufficient numbers of toilets are available for girl students, in the institute.
5. The workers who are involved in the cleanliness work; and who have performed very well throughout their life will be felicitated.
6. Teachers of the institute will hold sensitization meetings with parents on imparting message of cleanliness and sanitation among their children.
7. The students of the institute will clean various important places in the institute.
8. For awareness about cleanliness, documentaries on "Swachhata" will be prepared.
9. Dustbins for recycled and non-recycled waste materials will be provided in the institute at all the important places.

10. 'Bio Gas plant' will be installed in hostels for food waste management.
11. Workshop on cleanliness and waste management will be organised in the institute.
12. Waste segregation and solid waste management will be done through set up of composting equipment.
13. Out sourcing of cleaning of the institute and hostels is to be done to ensure complete cleanliness. This work is in progress.
14. Debate competition for students will be organised in the institute on cleanliness.
15. Weeding out of old files, records etc. will be effectively ensured in due accordance with rules.
16. All the drinking water tanks will be cleaned periodically.
17. Proper publicity will be given to PAKHWADA activities in electronic, social media such as Mygov, Twitter and Face book and print media platforms.
18. All the messages and pictures regarding Swachhata Pakhwada, will be uploaded on our institute web site.

The best performing students in each competition will be given prize.
