NOTICE REGARDING PRE-BID CONFERENCE

Bidders are informed that time for submission of pre-bid queries has elapsed. They are advised not to send any further pre-bid queries to nitnet@nitr.ac.in. We wish to thank all the firms who have shown interest in our tender and have sent their queries to us.

As per clause no. 30 of Chapter-I of our Tender document, pre-bid conference was to be held if deemed fit. Since only a few numbers of firms have sought clarifications in the bidder's eligibility criteria and functional requirements / technical specifications and the nature of the queries is such that clarifications can be easily communicated via e-mail, it is decided that holding a pre-bid conference is not necessary. The clarifications will be communicated to respective sender and all the clarifications will also be hosted on the institute web-site <http://nitr.ac.in> for the benefit of the bidders. For this reason, potential bidders are informed that the pre-bid conference shall not be held in connection with this tender No./NITRR/LAN/7567/2013 dated 01/10/2013 in the Institute.

CCC Committee, NIT Raipur
